We notice some of our exchanges are ventilating different availating firms, who have advertised with thom, and refused to pay, or have kept silent since their bills fell due.—Carrollton Conservatives.

The Chairman, upon motion of Robert Powell, Esq. appointed a County Executive Committee, as follows:

H. S. Foote, Jr., Chairman, DISTRICT NO. 1. Geo. Handy, I. N. Holliday, DISTRICT NO. 2. Joseph E. Lane,

EMMET L. Ross, Sec'y.

PHILADELPHIA LETTER.

Every day adds something to the of \$25. have almost their entire displays to

Exposition. Russia and Turkey arrange, while other countries are adding daily to the extents of their exhibits, or are improving the arrangement of articles already on exhibition exhibition. It requires considerable labor to so committed.

make the tour of the compact little world in Fairmont Park. Visitors Upon motion, Col. W. G. Kearney was unanimously elected to preside, and E. L. Ross was chosen secretary. Chairman then stated the object of the Convention to be the selection of delegates to the State and District Convention to be held at Jackson on the 14th inst, and the appoint ment of a County Executive Committee.

Col. Wm. Handy moved that the delegates to the above Convention be taken from the county as follows:

The motion prevailed with the amendment that the number of delegates from the county-at-large.

The motion prevailed with the amendment that the number of delegates from the county-at-large be increased to fifty.

Upon motion of Maj, H. S. Foote the Chairman appointed the follow. about three hours, and the genuine American begins to long for a man-

tel piece, or some exquisite piece of furniture to elevate his feet upon. You may take a rolling chair for Gavitt & Thompson \ Yendi Exponas. many objections to them. It is troublesome to tell the man just where to take you, or how long to where to take you, or how long to remain before this or that exhibit, and then there are many narrow devious places that may be penetrated by a pedestrian, but through which a chair cannot be propelled, particularly is this the case in China, the original habitat, if I may so mi

survey of the grounds and will pass close to nearly all the buildings, these have usually a name in large letters upon them so that the visible in discounting the second state of Mississippi. Wm. Handy, James McFarland, these have usually a name in large letters upon them so that the visitor will have little trouble in distor will have little trouble in distinguishing them even if he is unassisted by the observations of his fellow-travellers. The train starts from a station near the west end of the Main building, and passes in rapid succession the Woman's Pavilion, a large building having nothing of interest in it, the women of course excepted—the New Jer of course excepted-the New Jer sey building, which is the most picturesque of any of the State edifices -Agricultural Hall which, although n a remote portion of the enclosure covers ten acres, and is not second

any in interesting exhibits. After having gone entirely around the Agricultural building, the tr. in passes a row of little edifices built by the various States. Of these that of Ohio is the most substantial adopted by a rising vote:

Resolved, That the course pursued by the present Democratic delegation of Mississippi in the Congress of the United States, deserves the unqualified commendation of the people; and that we point with especial prile to the honest zeal for the public introduced by the people; and that we point with especial prile to the honest zeal for the public introduced by the people; and that we point with especial prile to the honest zeal for the public introduced by the most house the most home like, but the ungliest. There are some others however that may dispute that eminence with her, and I may change my mind the next time I review these houses. Visitors from their respective States will find in these houses parlors and retiring rooms. It is the design and desire that they shall appropriate whatever conveniences the place affords. Registers are kept for the names and addresses of visitors. That of the Ohio building has almost a column for remarks. While the list of delegates was has almost a column for remarks. While the list of delegates was which already gives evidence in

It must not be supposed that this circuit will enable the visitor to see even the exterior of all that is to Resolved, That we can, must, and will may wander for a month about the carry the election this fall. grounds, and within the buildings, and will continue each day to ser omething new and strange. There is a hunter's but, by a flowing stream, in a shady dell; near it is a little lake in which are Indian canoes. The transition from the Bazaar of Nations in the Main build ing, or from the din of innumerable wheels in Machinery Hall, to this romantic sylvan spot is a sensation Then there is the New England

log cabin, where the simple archi habits of our foremothers and forefathers are reproduced with vigor ous truthfulness, compelling reflec-tions that cannot be very gay. There is something in the annals of these clumsy, uncouth bedsteads, stiff chairs, and scant, cheap drapery.
that reproaches and admonishes
the luxury and profigacy of to-day.
"Where much is given, much will
be required."
